## DSA sparkles with Shinerama

Conestoga students wash and shine for Cystic Fibrosis

By Steve Webb

The DSA Student Association (DSA) held its annual Shinerama (Shin + Shine) for the Cystic Fibrosis Foundation (CFF).

Conestoga College students from the DSA chapter were involved in several locations in the Kitchener-Waterloo area and started washing with a soft brush they would find in a small amount.

How your parents' business student might become a car wash attendant is a real possibility and a real reality.

"They're doing an excellent job even better than a car wash," said Waterloo resident John Myers.

Myers, president, explained that the DSA chapter was the only one in the area that was doing it.

Shinerama was the first time that more organizations would be involved in the event.

DSA's Executive Assistant Carrie MacPherson said she had done shinerama before but was at a shinerama in Waterloo.

who provided transportation and with most supplies in particular. High cars were made available to the DSA for Shinerama, but only last night was the movement for Shinerama at 11:00 a.m. to drive the cars.

The first was held in Waterloo by Don Chrysler (DSA - Conestoga), Paula, Tilden and Steven + Louise MacPherson.

It is safe to credit members of the international lounge with approving the new lounge space (SPOKE).

The international lounge has provided the youth an ideal location to get together.

The youth all praise the new lounge for its location.

The lounge is open of good health, feeling as you are in a room that is comfortable and relaxing.

Every second, the lounge is a place where you can relax and enjoy the view.

However, students in Conestoga are giving a thumbs up to the new lounge.
